*Contractor's Address (street, city, zip code) *E-mail Address

*Location of Work (street, city, zip code) * Tax Parcel Number

Name of Subdivision Lot Number *Zoning District

Check List for Required Materials and Information (3 Sets Required): The applicant, contractor, or engineer must complete this checklist to ensure a completed application package is received at the time of submittal. This checklist will be reviewed upon application for completeness. Failure to include required information may result in return of your application and delay the start of any review.

NOTICE: Pursuant to the Edgmont Township Code –Chapter. 365, Article XXVI Section 365-161.B.(3) Forestry - requires that in the event of the submission of a subdivision and/or land development application which includes any part or portion of a property upon which tree removal has occurred at any time within 24 months of the date of the issuance of a Forestry permit, shall be considered to have been done in contemplation of subdivision/land development of the property. In such case, tree replacement shall be required in accordance with Chapter 305, Subdivision and Land Development of the Township Code. Tree replacement requirements shall be based on the property in the state in which it existed prior to the commencement of the tree removal activity.

NOTICE: This permit application requires approval by the Board of Supervisors. Please check with the Township Office for the Board of Supervisors meeting dates upon submittal of this application.

Please place a check mark (✓) in the box for each completed item:

- Property Plot Plan including the following:
 - The plan must show the property boundaries, accessory structures, roads, proposed “skid road(s)”, septic tank(s), drainage field(s), well, wetlands, steep and very steep slopes, construction entrance, trees proposed to be removed, and trees to be planted.

- Provide the number, caliper, condition, and species (if known) of each tree to be removed (Attach an additional page listing this information):

Total number of trees to be removed: _____

- Provide the number, caliper, and species of trees to be planted (Attach an additional page listing this information):

Total number of trees to be planted: _____

- A narrative outlining the timber harvest details including the following information:
 - A timeline for the project, the contractor performing the work, hours of operation, and a stabilization and replanting schedule to reestablish the forested area. Your contractor may need to help/supply you with this information.

- If this project is taking place at a property located on a Township Road, a Highway Occupancy Permit (HOP) is required.
 - If this project requires an HOP, one must be submitted with this application.
- If the total area of disturbance exceeds 5000 square feet, a grading permit is required.
 - If this project requires a grading permit, it must be submitted with this application.
- Total area to be disturbed: _____ (Square Feet)
 - Areas of disturbance to be calculated: Parking and loading areas, skid trails, stump grinding, clearing, etc.
 - If the area of disturbance exceeds one acre, a Phase II NPDES Small Construction Permit (PAG14) is required. For application materials, contact the Delaware County Conservation District, 1521 North Providence Road, Media, PA 19063 (610-892-9484). Documentation evidencing submission to the County is required. County approval is required before the Township Grading Permit can be issued.
- Your contractor must register with the Township. A contractor registration, proof of insurance, and registration fee is required.
- Which watershed does the property drain to (circle one): Chester Creek OR Crum Creek OR Ridley Creek
- Anticipated Start Date: _____ Anticipated Completion Date: _____

Forestry Permit Application Fee: _____

I declare, under the penalties of perjury, that this application (including any accompanying plans and specifications) has been examined by me, and to the best of my knowledge, is a true, correct, and complete application. I have reviewed and agree to comply with the Edgmont Township Code. I understand the requirements for tree replacement, per the Edgmont Township Code —Chapter. 365, Article XXVI Section 365-161.B.(3) Forestry should the property be subdivided within the next twenty-four (24) months of the date of this application. This application will be reviewed against the Edgmont Township Code and policies ONLY; additional approvals may be required (e.g. Homeowners Associations, etc.) The acceptance of this permit requires me as the applicant, property owner, or both to follow the inspection schedule on the permit as well as the obligation to have a final inspection and close out the permit properly.
